

FMA CONFERENCE ON DERIVATIVES & VOLATILITY

2026

13 - 14 NOVEMBER

CHICAGO, ILLINOIS

Financial Management Association International (FMA) is pleased to announce the 2026 Conference on Derivatives and Volatility at Cboe Global Markets in Chicago, IL. In its tenth year, the conference is smaller and more focused than the FMA's traditional meetings and will include research presentations, academic and practitioner keynotes, and a presentation on product innovations and industry trends.

The editors of *Financial Management (FM)*, the flagship journal of FMA International, will be apprised by the conference program committee of papers that the committee assesses to be of particularly high-quality. [Click here for the full statement.](#)
